Drive super fast bikes for road and city. In Bike Race 3D you need to dodge cars and trucks to drive further. Being daring and passing close to other vehicles in your motorcycle increases your speed and your score. Be careful with your maneuvering though, crashing into cars hurts! Bike Racing 3D is a cool motorbike stunt game to test your skills as a biker. Choose a level and start racing through ramps avoiding obstacles and collecting lots of coins. Earn extra points for flips and try to land correctly or may may have to start again from the beginning or from the last checkpoint. Do your best to set an unbeatable high score in every level and prove you got what it takes to master the two-wheeler. Use the WASD keys to move your fancy motorbike and perform spectacular stunts in order to earn as much money as possible. How much risk are you willing to take in this awesome racing game? Can you do a double back flip in the air and still land on both wheels? Find out and enjoy Bike Racing 3D, a free online game on Silvergames.com! Controls: Arrows / WASD = drive / balance, R = start from beginning, C = start from checkpoint Page 2 3D Games are realistic car racing, shooting or fighting games featuring three dimensional graphics. Play online and start driving expensive cars and shoot with your pixel gun. In these free games, you will be shooting zombies and parking huge trucks. Online 3D games for girls and boys are fun and easy to play. Just choose one and become any animal you want or even a pokemon and explore the 3d environment. Enjoy three-D action in a world of blocky graphics or on the virtual basketball court. Realistic graphics in 3D games will make you plunge into the virtual world full of adventures. Play 8 ball pool or bowling against a computer or your best friend in 2 player mode. Observe all three dimensions and try to overcome all the obstacles on every level. Race your car through a loop, speed off a ramp or fight with your pokemon. Join players from all over the world in multiplayer racing games to compete for first place on the online racing track. Overtake your opponents and speed ahead on the three-dimensional race track. If you can pull off a crazy stunt while you do, so much the better. Just make sure you won't be caught by the police. Choose one of the driving 3d games and switch sides and catch fugitives as a member of the police forces. You may also just end up fining people for parking in the wrong space. Move your vehicle through all 3 dimensions. Discover virtual worlds in 3D and uncover the secrets they hold. Enjoy shooting at enemies, zombies or not, from a safe distance. Race across winding roads and dodge oncoming traffic. Wander around in an open world and look for areas you haven't seen yet.
